## Membership Club des Territoires Un Plus Bio

EUROPEAN SECTION « ORGANIC FOOD TERRITORIES »

### **The association Un Plus Bio stands for five values :**

- Making organic food accessible to everyone
- Building links on territories by coherent choices of restoration
- Restoring fair relationships between catering actors
- Integrating environmental protection into canteens' menu
- Protecting guests' health by acting on the content of their plate

### **The Club « Organic Food Territories » allows its members to benefit from :**

- Specific information and publications, useful for the success of their food project
- Exchange of experiences on common issues
- Privileged meetings between European communities

### **The members of the European Club are committed to promoting the values of Un Plus Bio on their territory and contributing to the dynamics of the network, especially into:**

- Developing a food policy encouraging organic and local catering, and promoting educational actions
- Getting involved in the meetings and events of Un plus Bio and the Club
- Accepting the publication of their contact information to members, and to all persons
- Answering to the annual survey to feed the Observatory of organic and sustainable collective catering
- Accepting the broadcast of their photo on the communication media of Un Plus Bio
- Setting and paying the amount of the annual subscription
